

**Winter Get-Together and General Meeting
Sunday, January 20, 2019
9 a.m. – 3 p.m.**

SB Members:

The club will hold its annual winter get-together on Sunday, January 20, 2019, from 9 a.m. – 3 p.m., at Canine Sports Center, 416 Old Middle Street (Route 63), Goshen, CT. The fee for the day is \$10.00 per member, and pre-registration is not required. We could use a couple of volunteers to come at 8:45 a.m. to set up and a couple of people to stay until the end to help clean up.

A pizza lunch will be provided by the club during the general meeting at noon. If you'd like to bring something to share for breakfast, or a dessert for lunch, we'd greatly appreciate it.

Dawn Terrill will be the presenter. She will be presenting on protein losing nephropathy (protein loss through the kidneys), which is seen often times with tick borne diseases and leptospirosis.

During the general meeting, the nominating committee will be presenting the slate of officers for the upcoming year, which will be voted on at the Annual Dinner in February. **I am still looking for one more member to join me and Ginny Worrest on the nominating committee. Also, if you think you may be interested in a board member position, please contact me for more information at cmarinelli1@cox.net.**

The winter get-together is a wonderful opportunity to introduce yourself if you're new to the club, catch up with friends, socialize those new puppies, practice some obedience and agility with LOTS of distractions, and just have fun! Please bring your own chair and crate. Since crating space is limited, please be considerate of other members. You can get directions and check out the facility at www.caninesportscenter.com.

Sincerely,

Christine Marinelli, President
