AgilityTrial Update -

We are moving along for our upcoming agility trial to be held at Star Hill Family Athletic Center, 100 Gerber Road in Tolland, CT on June 6 - 8, 2014. LEAP Agility Club has joined us on Friday this year, with their net proceeds going to a canine healthy charity. I believe they have chosen the AKC CHF.

We **always** need club members to help during set up on Thursday, June 5th from 1 p.m. or so till 5 p.m. and take down on Sunday, June 8th from 3 p.m. till done. We do have a small set up dinner at the trial site after we have completed our jobs for the day.

We also need help at the end of each day as competitors leave after their runs, but we still have some classes to finish. We also need to set up the courses for the following morning.

Please give a bit of your time to help SB out during our trial. As I've said many times, you don't need to be an agility person to give us a hand. Many hands make light work! And as the agility community gets older, the equipment seems to get heavier every year. Al from MAX 200 has done a great job coming up with carts to move the equipment around, but it still helps to have more people available to give us a hand.

Please let me know if you plan to attend to help set up so I have an accurate count for our set up dinner. Or if you plan to attend another day to help, I can put you into the schedule for a job that is appropriate for you.

I'd like to thank the committee members of Christine Marinelli, Stacy Ingher, Elise Kremer, Cindy Jones, and Claudette Beaulieu. I'd also like to thank Fran Roozen for helping out with Vendors, Bob Howard for Chief Course Building, Karen Scotti for Judge's Hospitality and Carol Wert for Workers, as well as Shelly Truskauskas who comes for the weekend and always does anything and everything that needs doing.

See you all soon!

Pat McKinney
Trial Chairman

June Hunt Test – June 27 – 29

Our Annual Hunt Test is fast approaching.

Master will run Friday and Saturday and possibly Sunday if needed. Junior will be on Saturday and Senior on Sunday. We are offering a BBQ to all participants Saturday at the conclusion of judging. I therefore ask that members bring something to contribute i.e. horderves, salads, or desserts.

Please let me know where and when you can work and if there is any specific job you would like. Any amount of time will be appreciated. If you are entered in a stake, I will expect you to work in some capacity at that stake.

Closing date for entries is June 16 although our Master Stake has been filled for several weeks. If you or a friend wish to enter Master, you need to check the entries on Entry Express. As we get closer to closing date, people often cancel their entry. The only way to enter master now is by watching the number of entries on Entry Express. If you see it below 60, you can enter. Junior and Senior entries are low at this point and you can enter up to June 16.

I am hoping that we have Junior handlers who wish to enter as the future of our sport is in their hands. We offer a discount to juniors under the age of 18. For details, please see our premium list on Entry Express.

I look forward to hearing from you and seeing you at our hunt test.

2014 has started off well for the FoxRun dogs!

In April, Vegas, **Ch. FoxRun's Lettuce Entertain U**, finished her Grand Championship by going Best of Breed at a supported entry. She will be running Junior this summer (if she does not come in season).

In May, the talented Camden earned her CD with 3 consecutive first place wins and she went High in Trial for her 3rd leg. She is now **Ch. FoxRun's Simply Irresist-a-Ball CD, JH, RN, WC, VC, CGC, HIT**. She is just one GCh point and her CDX away from her VCX! We will be working on those this fall.

And Charm, **FoxRun's She'll Put a Spell on U**, picked up another point toward her Ch and now has 11 with one major. Hopefully, we will finish up this year and she will move on to some performance events.

I have 2 new additions to my house. The first is Canoe (Adirondac Tippy Canoe JH) who is a Trooper daughter from his last litter. She came to my home November of last year and we are currently working towards SH, CD and CDX. Canoe is about 20 months old. Second is Tracker who just turned 4 months old. He is also an Adirondac dog, but does not yet have a registered name. He took first at Shoreline's Sanctioned Jr Puppy Stake in April. He is a big, red boy with a very lovely disposition. Ren and Target are getting along very well with the new additions.
