THE NICK MICKELSON AWARD

This award is presented to the Southern Berkshire Golden Retriever Club member who was voted the most outstanding club member by our membership who they feel has gone above and beyond for our Club.

This year's recipient has been an asset to our field training helping out in the setting up and working stations in the field as well as judging events.

She has assisted in working with new puppy owners just starting out in the world of field to get their puppies started as well as themselves.

Also, she has worked endlessly at our Hunt Test and Fun Field days.

I am pleased to present this award to:

Claudia Norton

BRAGS

Ren got her first UD leg at Framingham District KC with 194 and first place. Canoe got her first and second CD legs at the same trial with 192 and third place and 191 1/2. Owned by Dawn Terrill.

I have a new Utility Dog Title to report:

Heather completed her title with a first place and two seconds, finishing at Monticello, where she qualified in both shows that weekend. She is now **My Stardust Melody UD RN MH WCX *****, just in time to turn her attention back to spring field work (yes, the snow is finally beginning to melt). Whatever the activity, Heather is always lively and happy, and a lot of fun to work with.

THANKS

Thanks to all the club members who came to help out at the SBGRC health clinic on March 8th. Claudette Beaulieu, Shelly Truskauskus, Sharon Cavanaugh, and Kathy Eddy were the old guard, who kept things running smoothly. I want to particularly thank the newcomers who came, and did so much: Tim and Karen Bowman, Corinne Dumais, Melanie Sampson, and Rita Bosch. They didnt even have dogs entered at the clinic, but gave of their time and efforts. Thanks to Bob and Ginny Worrest who came to straighten out the clinic at the end, and the paperwork. And I know there were others who helped out here and there while having their dogs checked, and we appreciate your efforts. Amazingly, we were done by 1pm, with 75+ eye checks, 25+ heart checks, and a dozen or so blood draws and/or microchips. Barb and Mike

On March 2, I said goodbye to the happiest golden retriever I've ever known. My beloved Belle, who brought me so much joy and happiness for 10 years, was diagnosed with mammary cancer two days before Christmas and two weeks after finishing her AKC Master Jumpers Bronze title at Nutmeg Border Collie's trial in Hamden. Despite two surgeries and the start of chemo, the cancer spread with horrifying swiftness, frustrating the oncologists who thought she'd have 6 - 12 months with treatment.

Belle not only loved me, but she loved life itself. She greeted each day and each experience with a huge smile and bright, eager eyes. She adored agility, and she went around the course with joy and sheer glee. It didn't matter if it was class, training, a seminar or a trial, she gave it her all. Sweet, smart, happy, eager, cheerful, funny, enthusiastic, driven and athletic, she was the perfect dog. I could not ask for a better canine companion by my side.

Her agility accomplishments included earning her USDAA ADCH, as well as Bronze championships in Masters Jumpers, Snooker and Relay and a Standard Championship. She was closing in on her ADCH Bronze, needing only 12 more Q's, and late in life we

started a quest for an AKC MACH. She had 8 QQ's and 659 points by the time of her diagnosis. In USDAA national rankings, she was in the top 5 golden retrievers in various Masters classes multiple times in her agility career, including a tie for #1 golden retriever in Masters Snooker in 2012.

I am grateful to her breeders, Susan and Andy Pilkerton, for sending "blue girl" to Sunfire, and especially grateful to Barb Biewer who offered me the chance to co-own this exceptional puppy.

But most of all, I am grateful to Belle. Thank you, my sweet girlie, for your love, your joy and your presence. Thank you for all the wonderful memories. Thank you for the wonderful puppies you gave us from your two litters. Thank you for being the light of my life. You have been, and always will be, my good girlie.
